

NUMENERA

Character and Creature Standups

NOT FINAL ART

An entire minis collection in one affordable product!

Bring the Ninth World alive on your gaming table. These full-color characters and creatures are printed double-sided on thick, heavy gameboard stock, and come with plastic bases. Dozens of Numenera characters and creatures are ready for play.

- ◆ An easy upsell to Numenera players. And a great visual element for Numenera demos or games that really pulls people in!
- ◆ An simple, inexpensive way to bring an entire minis collection to your game table. Dozens of characters of all types and descriptions, along with loads of creatures.
 - ◆ There's nothing cheap or flimsy about these— heavy double-sided board stock gives them great tactile as well as visual appeal.
 - ◆ Numenera creatures and characters have a unique science-fantasy style. RPG customers looking for something a little different will love what they see!
