AQUATICA

COLD WATERS

The Great Kingdoms of Aquatica have prospered for centuries, but now climate change brings new currents to their waters.

With them come the ruthless rulers of the north along with mysterious new creatures. Competition becomes more cruel, forcing the Kings to go deeper in their search for resources...while the wild tribes of the ocean, displaced from their homes, offer their skills and powers to anyone who can pay for them!

Requires base game Aquatica to play.

- Expands game to 5 Players!
- New Tribes Module!
- 12 New Ocean Characters!
- 14 New Locations!
- 3 New Kings!

The Dice Tower Essentials Line is composed of games that noted reviewer Tom Vasel (www.dicetower.com) believes are essential for any gamer's collection. These are games that we love, and are sure you will, also!
