Format: Pack of 5 A4 Sheets of  
Reusable Static Clings

Release Date: January 2022

Add-On Scenery of RPG Maps - Wilderness is a pack of 90+ static clings of Wild features. Trees, rivers, rock and much, much more! These reusable stickers work with ANY laminated map and allow you to create forests, water courses, lakes, overgrown ruins and camp sites at a moments notice.

These handy sheets of stickers increase the immersion of your game and make creating bespoke encounter areas quick and easy. No need to draw pre or mid game, you can add features to your maps ahead of time or on the spot as you create amazing encounters. 5E compatible - these tokens are designed to a 1 inch = 5 foot scale.
