The Looking Glass has shattered, madness is being drained from the inhabitants, and war has come. Who will rule Wonderland?

Alice has returned, but Wonderland has lost its whimsy and grown deadly serious. The Jabberwock is on a rampage, the Queen of Hearts is out for blood, and the Mad Hatter insists you attend his tea party post-haste!

- Innovative bag-building combat keeps battles quick and puts a fresh spin on area-control.
- Interact with the whimsical and powerful inhabitants of Wonderland while you fight as one of 5 unique factions.
